Financial Guarantee Accepted
Notice Extended

On January 9, 2003, you filed a notice extending the above-mentioned notice with the Fillmore Field Office, Bureau of Land Management (BLM). The reclamation cost estimate is determined to be \$5,000 for the above-mentioned notice operation.

On January 29, 2004, this office received a Surface Management Personal Bond contract and evidence of a certificate of deposit (CD) account as the financial guarantee for the bond in the amount of \$5,000 to secure a bond for the notice identified above. The bond and the financial document have been examined and found satisfactory. The financial guarantee is accepted as of January 29, 2004, and accordingly, the above-mentioned notice is extended until January 20, 2005.

The bond covers operations conducted by or on behalf of the obligor/operator on the above-mentioned notice.

The pledge for the bond is a CD written by the financial institution named above. The CD will be retained in this office until all terms and conditions of the operations have been fulfilled or until a satisfactory replacement bond has been accepted. If the term of the CD expires prior to release or replacement of the bond, the obligor may request the return of the certificate only by providing a replacement certificate made payable to the Department of the Interior-BLM, and bearing interest payable to the obligor or some other party. Otherwise, the certificate will be redeemed or retained for potential redemption to guarantee fulfillment of the obligor's obligations on the above-mentioned notice.

Please be advised that release of the funds in the account to any party will be allowed only after Secretarial approval is given to the financial institution through the BLM Utah State Office. Also, any penalties for early redemption of the CD account will be paid from the obligor's interest earned and not from the principal amount of the CD.

If you have any questions, please contact Opolonia Abeyta at (801) 539-4123.
